

# EVERGREEN PUZZLES

## DIY Puzzle Coaster Set - Assembly Instructions

1

### Assemble the Puzzles

- Using the pieces provided in the puzzle piece bag, assemble all 4 individual puzzles.
- Make sure each puzzle is fully completed and lying flat.

2

### Apply Puzzle Tape

- Carefully flip each completed puzzle over.
- Peel the backing off a gray puzzle tape square.
- Align and apply the tape to the back of the puzzle, pressing firmly to secure all pieces.
- Repeat for all 4 puzzles.

3

### Apply Adhesive & Wood Backing

- Peel the backing off a yellow adhesive square and press onto the center of the puzzle tape.
- Remove the top (yellow) layer to expose the sticky surface
- Carefully place the sticky side onto the wood backing ensuring the Evergreen Puzzles Logo faces outward
- Press Firmly to secure.
- Repeat for all 4 coasters.

4

### Attach Non-Slip Pads

- Peel the backing off a non-slip square.
- Apply one to each corner on the bottom of the wood backing.
- Press firmly to secure.
- Repeat for all 4 coasters
